

# Mini-symposium on science careers beyond academia

JUNE 11<sup>TH</sup>, 2019 | SEGERFALK LECTURE HALL, BMC A10  
RESEARCH SCHOOL IN STEM CELL BIOLOGY | LUND UNIVERSITY

## PROGRAM

**12.45–13.00** Registration

**13.00–13.05** **Welcome note:** Christine Karlsson, Research School in Stem Cell Biology and Heiko Herwald, Vice-Dean for third-cycle education, Faculty of Medicine, Lund University

**13.05–13.35** **Industry scientist**

Elin Jaensson Gyllenbäck, Senior research scientist at BioInvent, Lund, Sweden  
Chair: Diahann Atacho (Postdoctoral fellow, Jakobsson lab)

**13.35–14.05** **Regulatory affairs**

Pär Thored, Senior Regulatory Project Manager at LEO Pharma, Copenhagen, Denmark  
Chair: Diahann Atacho (Postdoctoral fellow, Jakobsson lab)

**14.05–14.35** **Clinical trials**

Kerstin Dahlström, Senior manager Publications and Clinical Trial Registries at H. Lundbeck A/S, Copenhagen, Denmark  
Chair: Hugo Åkerstrand (PhD student, Yuan lab)

**14.35–15.00** **Coffee break**

**15.00–15.30** **Business development**

Therése Kallur, Director Business Development at BioLamina, Stockholm, Sweden  
Chair: Hugo Åkerstrand (PhD student, Yuan lab)

**15.30–16.00** **Science administration**

Hocine Mankouri, Scientific Officer at Novo Nordisk Foundation, Hellerup, Denmark  
Chair: Giulia Beneventi (PhD student, Bellodi lab)

**16.00–16.30** **Science communication**

Ingela Loell, Scientific Writer at Notch Communications, Stockholm, Sweden  
Chair: Giulia Beneventi (PhD student, Bellodi lab)

**16.30–16.35** Closing remarks

**16.45–19.00** Round table discussions and mingle with speakers  
Finger food, Stamstället, BMC H10

## ORGANIZING COMMITTEE

Christine Karlsson, Claire McKay, Diahann Atacho, Giulia Beneventi, Henrik Ahlenius and Hugo Åkerstrand

This symposium is organized by the Research School in Stem Cell Biology. We are grateful for the support from StemTherapy, a Strategic Research Area for Stem Cells and Regenerative Medicine.
